

Sponsorship Opportunities

5th International Conference on **Tribo – Corrosion 2016**

12th -13th December 2016

Venue

**Non Ferrous Materials Technology Development
Centre**

**P.O.Kanchanbagh
Hyderabad – 500 058
INDIA**

Invitation

We cordially invite you to join us in Hyderabad, INDIA on 12th and 13th December, 2016 for the fifth edition in the International Conference Series of Tribo-Corrosion. We have designed special sponsorship packages for you. We seek your help and generous support to organize this event in a befitting manner at NFTDC Hyderabad. Please do write to us and visit our website for more details. We look forward to meeting you in Hyderabad.

About NFTDC

NFTDC is an autonomous and self financing R & D institution under the aegis of Ministry of Mines, dedicated to the development of Advanced Materials + Innovative Processes on the one hand and Engineering Design + Analysis and Electronics + Instrumentation + Control leading to component and systems development & integration on the other. NFTDC is an unique Technology Centre, in that it is a multi disciplinary knowledge domain based institution which enables the centre to undertake complex technology development endeavours as interdisciplinary projects involving both knowledge creation (scientific know-why) and knowledge integration (technical knowhow). NFTDC's uniqueness also stems from its three genetic characteristics, namely (i) self financing nature, (ii) its multi disciplinary all executive Human resource and (iii) R & D policy of applied R & D as contract / sponsored research oriented to needs of user agencies.

Symposium Themes

- Modelling and Simulation of Synergistic Effects
- Ambient Temperature Wear + Corrosion
- High Temperature Wear + Corrosion
- Bio-Tribo Corrosion
- Degradation in Vacuum and Cryogenic Environments & Solutions

Sponsorship Packages

Sponsorship

Platinum Sponsor (INR 250,000)

- Includes 4 delegates
- Space/stall for exhibits, display
- Two page advertisement in the Souvenir

Gold Sponsor (INR 150,000)
